ANOTHER SMASH HIT!!

Charlie & the Chocolate Factory

FLT's Junior Production 2007 shook the halls of Lourdes Catholic Secondary School to entertain over 1200 appreciative school and public audience members.

Pumped from over 100 long hours of training, rehearsal and "work" that was invariably seen as FUN, this talented young cast rocked through 6 terrific performances showcasing all they had just learned from local drama and arts professionals.

Fronting an innovative multi-media presentation, sharing the casting and

decked out in delightful costume design all actors bettered their performances as they thrived on the audience's enthusiastic response. Many voted the show-stopping Oompah Lompahs as the steal of the show! Well done all!! But a very special thanks to incredible, hard-working directing team of Valerie Pugliese and Mike Chudnovsky. We all Salute YOU!!
